

Village of Suamico Water and Wastewater Supervisor

The Village of Suamico Water/Sewer Utility is looking for an experienced, self-motivated professional to fill the role of Water/Wastewater Utility Supervisor. This position is responsible for supervising the operation and maintenance of the Suamico Water Utility and Wastewater Collection System which serves thousands of residents and businesses. The Utility Supervisor oversees an experienced staff of two waterworks operators and 1 part time staff.

This is a full time hourly position. The Village of Suamico offers competitive pay and excellent benefits. The starting hourly pay range is \$26.92 to \$28.08. Starting hourly salary is negotiable, depending on qualifications. The Village offers health insurance, dental insurance, life insurance, participation in Wisconsin Retirement System, deferred compensation, flexible spending, and paid vacation.

An Associate degree from an accredited college with specialization in engineering technology or a related field is required. Five years of distribution system and/or supervisory experience is preferred. Proficiency in Microsoft Office products, SCADA systems, and GIS technology preferred. Must possess a valid Wisconsin Department of Natural Resources (WDNR) Water Distribution certification or the ability to obtain within 1 year of hire.

The Village of Suamico is a vibrant community located just north of Green Bay. The school district is excellent, and the community supports a myriad of local arts, entertainment, food, and volunteer endeavors. Recreational opportunities are plentiful within our own Village.

To apply, go online at www.suamico.org for complete job description and application. Please submit a cover letter, resume, reference letter and application to Andy Smits– Public Works Director at andys@suamico.org (920) 434-8410. Deadline for first review is August 8, 2018, 3:00 p.m., open until filled.
